PRINCIPAL'S PATTTER

Hello Everyone,

All of our students (P- 6) are looking forward to performing for their parents in the Edu-Dance concert to be held in the undercover assembly area on Monday 30 June.

This year the Edu-Dance concert is being split into two groups.

Concert 1 - will begin at 1.30pm sharp and include the following rooms - PP2, Rm 1, Rm 4, Rm 3 and Rm 9

We ask that parents are seated by 1.20 at the latest. At the end of the concert we ask, that parents mover out of the undercover area promptly, allowing for the parents of the next concert to be seated. Students will return to class for the remainder of the day.

Concert 2 - will begin at 2.25pm and include the following rooms - PP1, Rm 2, Rm 10, Rm 8, Rm 5 and Rm 11

Please ensure that you are seated by 2.20pm at the latest. The concert is expected to conclude at 3.00pm, however it may run a little later.

Having 2 concerts ensures that all of our students get a chance to shine! I've been watching the classes practice, and I can assure you it will be a performance that you don't want to miss. We look forward to seeing you all there. You should have received information regarding costumes, but if not, please contact your child's classroom teacher.

It was a pleasure to hear such positive reports about our Year 4 - 6 students who participated in our Interschool Winter Carnival last week. Our students represented Balcatta Primary School with pride and displayed our R.I.S.E values throughout the day. Thank you to Ms Saunders for organising this event and to all the staff that supported our students with training and on the day.

This afternoon is our Balcatta Primary School Cross Country event here at school. All students in Year 4 - 6 are encouraged to take part and the top 5 runners will be selected to take part in the Interschool event. Details will be shared via Connect next week.

Have a great weekend everyone.

Does your child feel unwell? Please keep them home from school

- ✓ Rest helps them recover faster
- ✓ Helps prevent spreading illness to students, staff & community
- ✓ A child who is sick will not be able to perform well in school

When unwell children are sent to school, we often need to call parents to collect them during the day – something that can be disruptive & difficult for parents/carers to arrange.

THANK YOU FOR HELPING US KEEP EVERYONE SAFE AND HEALTHY!

EDU-DANCE

Thank you to all the parents who have promptly paid for the **Edu-Dance programme**. There are, however, still some outstanding payments, which we would appreciate being settled as soon as possible. Payment of \$25 for this program can be made on-line or in cash via the lock box on the verandah in front of the Administration Office.

BATTERY RETRIEVAL PROJECT

Please help **OUR environment** by bringing in your old batteries & placing them in our **RED** battery collection bin located in the office foyer.

WHAT BATTERIES ARE COLLECTED?

Dry cell batteries include AA, AAA (single use or rechargeable), C, D, button batteries, 9V, 6 & cordless power tools.

UP- DATE CONTACT DETAILS

Please ensure the school office is informed of any changes to your contact details **as soon as possible**. Thank you for your cooperation.
